# PREMIUM DECK BOXES

Premium materials  
(Nexofyber surface  
+ microfiber inner lining)

The magnetic cover is completely removable

# SIDEKICK 100+ CONVERTIBLE

The convertible Sidekick provides very easy access to a double-sleeved 100-card deck. The Convertible line is designed to present cards in new and unique ways. Remove the lid, attach it to the bottom or start tilting your box in a wide variety of ways. This elegant deck box is manufactured with Nexofyber material and protects cards inside with a soft microfiber lining. Powerful magnets keep it safely closed.

## FEATURES

- Designed to hold up to **100** double-sleeved cards\*
- Sideloaded: cards are stored horizontally
- Completely removable cover. Allows Mix & Match customization
- Easy access for effortless removal of your deck
- Freedom of use: Wide variety of ways to display and tilt your opened box
- Powerful magnets for a precise and secure closure
- Premium materials (Nexofyber surface + microfiber inner lining)
- 100% compatible with convertible storage solutions, such as the Dungeon

\*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

**INNOVATION!**

**INNOVATION!**  
The removable card holder works perfectly as a card stack holder

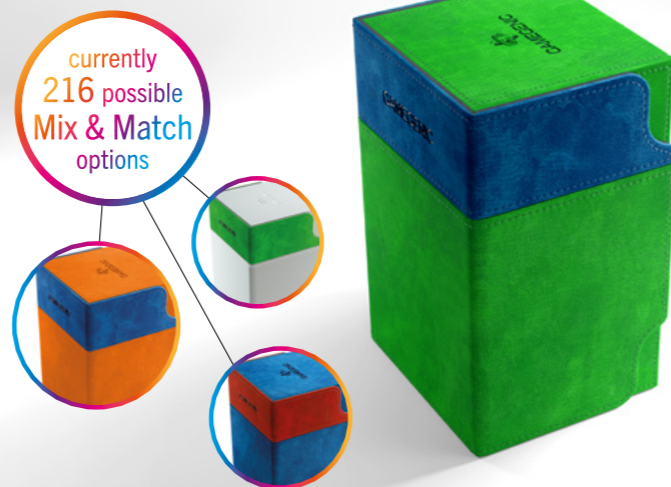

Flaps can be detached and clipped to the back side

Premium materials (Nexofyber surface + microfiber inner lining)

Interchangeable flaps allow Mix & Match customization

currently 216 possible Mix & Match options

YOUR GAME IS ON MY WATCH!

The removable card holder can be used as a card stack holder to hold the deck in place at the table

Premium materials (Nexofyber surface + microfiber inner lining)

Flaps can be detached and clipped to the back side

**INNOVATION:** Notches at the side allow the card holders and drawer to be easily pulled out

# STRONGHOLD 200+ CONVERTIBLE

Two removable card holders keep up to 200 double-sleeved cards in this large and extremely robust deck box. The Stronghold is covered with elegant Nexofyber material, with soft microfiber inside, and also contains an accessories drawer. Just like other Convertible products, its flaps are removable and can be clipped to the back side of the box. Powerful magnets ensure a safe closure. Completely removable, interchangeable flaps and inner card holders offer Mix & Match customization options.

## FEATURES

- Holds up to **200** double-sleeved cards\* and accessories
- Tilt the box or clip flaps to the back side for customizable display and setup options
- Completely removable flaps and card holders allow for Mix & Match customization
- Independent access to both card holders and accessories drawer
- Comfortable for left- and right-handed use
- Powerful magnets for a precise and secure closure
- Premium materials (Nexofyber surface + microfiber inner lining)

**THESE WALLS WILL WITHSTAND ANY SIEGE!**

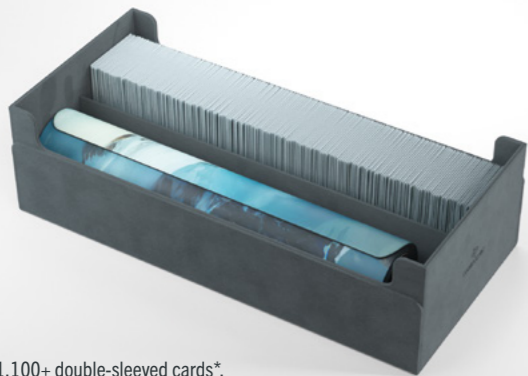

Nexofyber<sup>+</sup>. The new super-soft surface material. Elegant outer material and soft microfiber inner lining

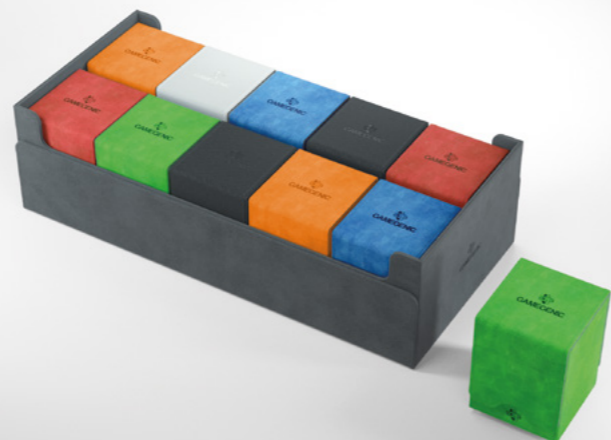

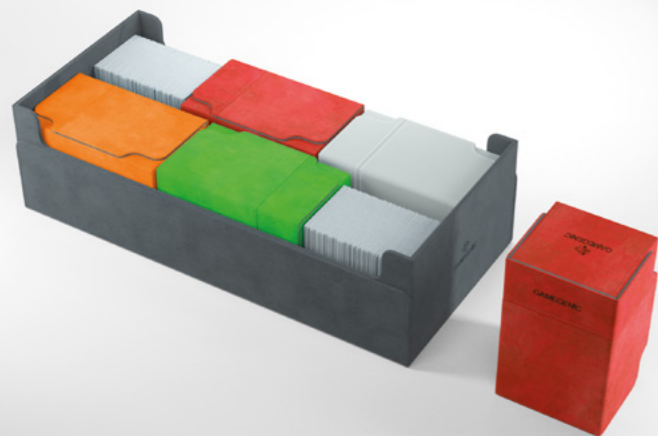

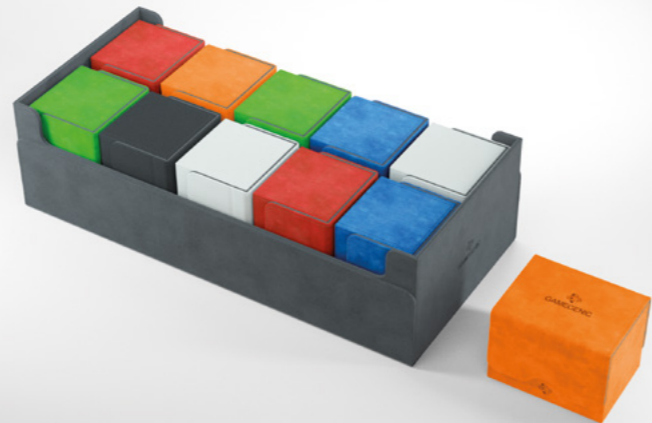

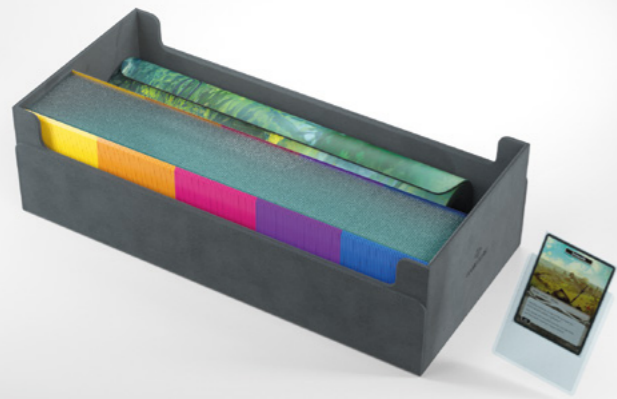

Cover clips perfectly onto the bottom. No disturbing flaps at the table!

Almost endless options to fill your Dungeon

Stores 1,100+ double-sleeved cards\*. Perfect for Cube Drafts

# DUNGEON 1100+ CONVERTIBLE

The Dungeon is ideal for housing a complete card collection. It holds several deck boxes, playmats, accessories and, of course, a huge number of single cards (even protected in bigger toplayer sleeves). The closing mechanism is subtle but strong thanks to an ingenious design that keeps the box safely closed even when it is fully loaded. The box's premium Nexofyber<sup>+</sup> outside material shares the elegant look of all Convertible products. Compatible not only with the rest of the product line but also with most boxes and solutions available on the market.

## FEATURES

- Designed to hold up to **1,100** double-sleeved cards\*
- Perfect for Cube Drafts
- Completely removable cover grants easy access to all components
- The cover clips onto the bottom and saves precious space at the gaming table
- Powerful magnets for a precise and secure closure
- Special locking mechanism provides a secure closure, even if the box is shaken upside-down
- Almost endless options to fill your Dungeon:** Designed to hold deck boxes, playmats, accessories and single sleeved cards (even in toplayers)
- Premium materials (Nexofyber<sup>+</sup> surface + microfiber inner lining)

\*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

YOU BETTER ENTER WITH YOUR SQUIRE AND SIDEKICK!

The cover clips onto the bottom and saves precious space at the gaming table while allowing easy access to all cards and boxes

The removable cover is attached by a special locking mechanism to keep the box safely closed, even if you shake it upside-down

# GAME SHELL 250+

The Game Shell is a portable case, perfectly sized for a wide variety of usages. It fits up to **250** double-sleeved cards, tokens, dice or even complete small games. The outside material comes in durable and resistant nylon with a premium structure. It boasts a reinforced handle and two zippers, hidden and protected by the outer material. On the inside, the Game Shell provides an accessories compartment and two adjustable dividers. This enables a completely free setup, adjustable to your needs and preferences.

## FEATURES

- Hold up to **250** double-sleeved cards\*
- Portable, sturdy card case with reinforced handle
- Includes adjustable shoulder strap
- Enclosed zipper to provide additional safety and protection
- Includes **2 strong removable dividers** to create your individual compartments
- Contains accessories compartment with small-meshed net
- Durable nylon surface, reinforced bottom and top
- EVA Foam at edges ensures a safe inner compartment without any curved corners
- Also perfect to carry complete card games or small board games

\*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

# GAME SHELL XL 650+

The Game Shell XL is a large, portable case in which to keep several deck boxes or a large collection of single cards. It holds up to **650** double-sleeved cards and comes with 4 removable dividers to create individual compartments within the case. This allows customizable organization of several boxes, single cards or dice and tokens. The box is made of durable nylon material and is therefore water-repellent and dirt-resistant. An adjustable shoulder strap and reinforced handle ensure comfortable transportation.

## FEATURES

- Hold up to **650** double-sleeved cards\*
- Portable, sturdy card case with reinforced handle
- Includes adjustable shoulder strap
- Enclosed zipper to provide additional safety and protection
- Includes **4 strong removable dividers** to create your individual compartments
- Contains accessories compartment with small-meshed net

**INNOVATION:** Foldable register tab fits in almost any deck box

Side-fold matches sideloading boxes

# FLEX CARD DIVIDERS

INNOVATION!

These durable and resistant card dividers will tidy up almost any deck box. This divider package contains 10 different vibrant colors to provide a maximum of organization possibilities.

**INNOVATION:** Foldable register tabs: Probably the first card divider on the market that truly divides! The tab allows an increased height that sticks out from the card pile and provides a much better visibility compared to usual dividers. The flexible fold-line makes sure that no cards are harmed while closing the box. The register tab will just fold to the side and unfold when the box is opened. Due to an additional folding line at the side this also works in sideloading boxes.

## FEATURES

- MULTICOLOR PACK:** contains 10 assorted card dividers
- 10 different vibrant colors matching the colors of all Deck Holders or Side Holders
- INNOVATION!** Foldable register tabs: Probably the first card divider on the market that truly divides!
- Side-fold also suits sideloading boxes
- Made from durable polypropylene
- Markable with appropriate pens and markers
- Acid-free. No PVC

# PLAYMATS

**PREMIUM STITCHING**  
Heavy-duty, tightly stitched with premium thread

STANDARD FABRIC

HIGH-SPEED SURFACE

for real professional gaming

**UNIQUE TEXTURE**  
Super-fast turning and smooth movement of sleeved cards

# PLAYMAT XP

**A revolution in playmats!** Introducing a real professional playing surface. The innovative Playmat XP stands apart from all other playmats on the market. Experienced gamers will love the unique, high-speed surface which allows super-fast rotation and smooth movement of sleeved cards. With an increased thickness of 3mm, the Playmat XP will rest flat on the table straight away, even if it's just been unfolded. The anti-slip back side blocks any shifting around, ensuring a fixed position. The Playmat XP is made from natural rubber.

The Playmat XP has a premium stitched edge which merges almost seamlessly into the mat's surface. The product is packed in a very sturdy, appealing cardboard box with external material samples, allowing you to touch and experience the unique material features before even buying the product!

## FEATURES

- 61 x 35 cm**
- High-speed surface for real professional gaming
- Super-fast turning and smooth movement of sleeved cards
- Thickness of 3 mm:**  
Rests super-flat on the table straight away
- Premium stitched border. The stitched edges add protection and avoid fraying of the playmat
- Anti-slip back side
- No uneven or annoying logo printing thanks to stitched label at the side
- Made from natural rubber

# PRIME PLAYMAT XL

The Prime Playmat XL is a premium, softly cushioned playmat with extended width of 80 cm. These additional 19 cm make the Playmat XL superior to regular-sized playmats on the market. It provides more space for cards and accessories, which is essential to new games like *KeyForge*® but also beneficial for TCGs like *Magic: The Gathering*™.

The mat is covered with ultra-fine surface and its anti-slip back side keeps it perfectly in place during the game. Natural rubber of 2 mm thickness makes sure that the playmat rests flat on the table. The Gamegenic logo in elegant silver foil is displayed in the top corner of the playmat.

## FEATURES

- 80 x 35 cm**
- Softly cushioned playmat, 2 mm thick
- 19 cm wider than a standard playmat**
- Perfect for *KeyForge*® and other card games that need a lot of space
- Ultra-fine surface
- Provides safe environment for cards and accessories
- Anti-slip back side
- Subtle & elegant: Silver foil logo
- Made from natural rubber

Snug fit with flexible cap that can be easily taken off

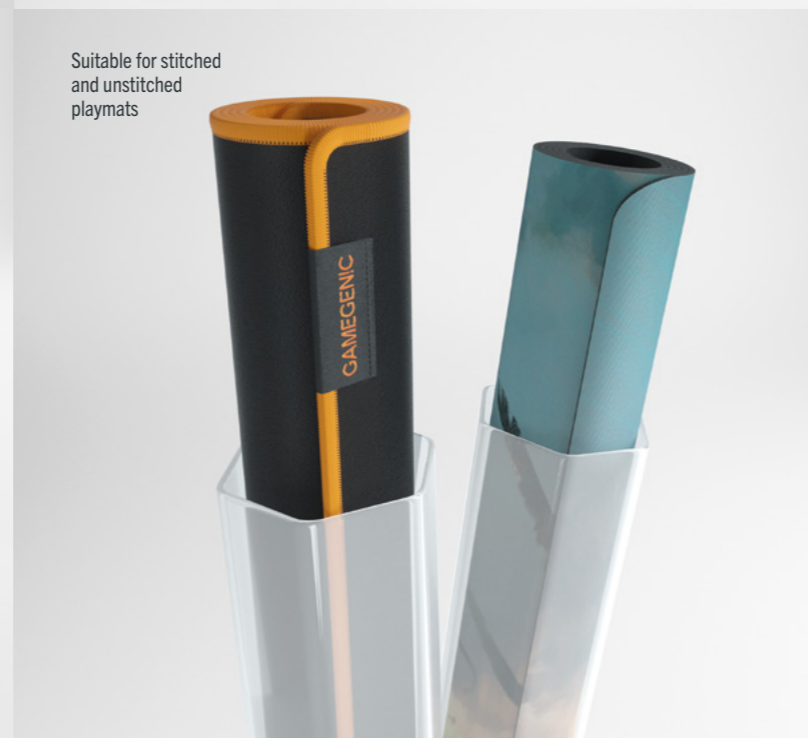

The reinforced base can withstand heavy pressure

Holds even extra-large or thick playmats safe and secure

Hexagonal shape prevents rolling around

Suitable for stitched and unstitched playmats

# PLAYMAT TUBE

Keep your playmats organized and protected. The Playmat Tube provides a secure storage solution for stitched and unstitched playmats in vibrant, semi-transparent colors. A hexagonal shape keeps the tube from rolling around on the table. The cap is made out of a flexible material and can be easily taken off, whilst still creating a tight seal to prevent the playmat from falling out accidentally, even when shaken. The Playmat Tube is made from shock- and scratch-resistant PETG and has a reinforced base to withstand heavy pressure.

## FEATURES

- Unique hexagonal shape avoids rolling from the table
- Perfect for standard-sized playmats
- Holds extra-large or particularly thick playmats
- Snug fit with flexible cap that can be easily taken off
- Reinforced base
- Can withstand heavy pressure
- Also ideal for protecting artwork or maps
- Acid-free, no PVC

# SLEEVES

# PRIME SLEEVES

Card-sleeves are an essential requirement to protect your valuable gaming cards. These Prime Sleeves provide a premium protection for standard-sized cards and prevent them from bent corners, scratches or damages by frequent shuffling. Due to their fine, matte back side players will experience a great shuffle feel and don't have struggle with slipping deck staples. The sleeves are optimized in size to ensure a professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 sleeves, matching also larger deck formats.

## FEATURES

- 100 Sleeves** per pack
- Extra-high back-cover **opacity**, even on lighter colors
- Extra-high clarity for genuine visual quality
- Ideal fitting and size, perfect for double-sleeving
- Durable sleeves prevent bent corners, scratches and damages from shuffling
- Finely structured back side avoids slipping deck staples
- Great shuffle-feel
- Acid-free, no PVC

# PRIME DOUBLE SLEEVING PACK

Card sleeving is the standard kind of protection in all card games. To increase this protection most players add a smaller, inner sleeve (sleeve-within-sleeve) to seal their valuable cards from all sides. This Double Sleeving Pack contains both inner sleeves and regular sleeves to provide a maximum of protection for up to 80 cards. Inner and outer sleeves match perfectly to make double sleeving fast and easy. Both sleeves are extra clear for perfect visibility with unaltered colors or contrast of the contained cards. The back side of the black, regular sleeves is 100% opaque and provide a great shuffle feel.

## FEATURES

- 2 x 80 sleeves** per pack (80 Prime Sleeves + 80 Inner Sleeves)
- The perfect all-in-one pack for double-sleeving your deck
- Extra-high clarity for genuine visual quality
- Additional protection: sleeve-within-sleeve
- Durable sleeves prevent bent corners, scratches and damages from shuffling
- Prime Sleeve: Finely structured back side avoids slipping deck staples
- Prime Sleeve: Fully opaque for tournaments\*
- Inner Sleeve: Exact fit for standard sized gaming cards: 64 x 89 mm
- Prime Sleeve size: 66 x 91 mm

# MATTE PRIME SLEEVES

Card-sleeves are an essential requirement to protect your valuable gaming cards. These Matte Prime Sleeves provide a premium protection for standard-sized cards and prevent them from bent corners, scratches or damages by frequent shuffling. The matte front blocks annoying reflections at the sleeves, to ensure that the card is visible from all sides and avoiding symptoms of eye fatigue during gameplay. Due to their fine, matte back side players will experience a great shuffle feel and don't to have struggle with slipping deck staples. The sleeves are optimized in size to ensure a professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 sleeves, matching also larger deck formats.

## FEATURES

- 100 Sleeves** per pack
- Extra-high back-cover **opacity**, even on lighter colors
- Matte foil averting symptoms of eye fatigue during gameplay
- Ideal fitting and size, perfect for double-sleeving
- Durable sleeves prevent bent corners, scratches and damages from shuffling

# INNER SLEEVES

Playing and Collectible Cards are very valuable and deserve an extra layer of protection. These inner sleeves add this kind of additional protection. These are used inside standard sleeves (sleeve-within-sleeve) to protect cards from dust, dirt or other damages (e.g. frequent shuffling). Inner sleeves come in an exact size to fit perfectly around standard-sized gaming cards. One pack contains 100 inner sleeves to be suitable also for larger deck formats.

## FEATURES

- 100 Sleeves** per pack
- Precise fit for standard-sized gaming cards
- For additional sleeve-within-sleeve protection
- Extra high clearness, ensuring a genuine visual quality with unaltered contrast and colors
- Consistent sizing
- Acid-free, no PVC

# PRIME BOARD GAME SLEEVES

Board-game cards suffer from frequent shuffling and heavy touching, therefore their protection should be of huge interest to any devoted board gamer. These board-game sleeves provide a premium protection and still keep a great shuffle feel. The extra clear polypropylene material displays all cards 100% translucent and clear. The reinforced thickness of 100 microns adds weight and strength to all cards and provides a premium appearance.

The well-known and established Sleeve Color Codes by Fantasy Flight Games™ are continued in this product line. Players will recognize the proven color system and find new sizes with new color codes.

## FEATURES

- Extra-high clarity, ensuring a genuine visual quality
- Prevents bent corners, scratches and damages from shuffling
- Reinforced thickness, very strong sleeves
- Great shuffle-feel
- FFG Sleeve Color Codes
- Acid-free, no PVC

# MATTE BOARD GAME SLEEVES

Board-game cards suffer from frequent shuffling and heavy touching, therefore their protection should be of huge interest to any devoted board gamer. These board-game sleeves provide a premium protection and still keep a great shuffle feel. With their matte lamination, these sleeves block annoying reflections to ensure that cards are clearly visible from all angles and avoid symptoms of eye fatigue during gameplay. The reinforced thickness of 100 microns adds weight and strength to all cards and provides a premium appearance.

The well-known and established Sleeve Color Codes by Fantasy Flight Games™ are continued in this product line. Players will recognize the proven color system and find new sizes with new color codes.

## FEATURES

- Matte back and front for clear visibility, averting symptoms of eye fatigue during gameplay
- Prevents bent corners, scratches and damages from shuffling
- Reinforced thickness, very strong sleeves
- Great shuffle-feel
- FFG Sleeve Color Codes
- Acid-free, no PVC

# BINDERS & PAGES

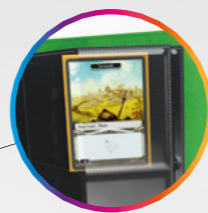

Premium PLAYSET album with Nexofyber surface material

Elastic strap, mounted to the inside for subtle closure

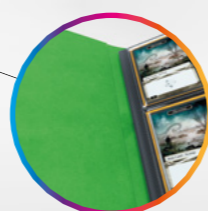

Perfect for PLAYSET collections of 4 cards each

20 side-loading pages to hold up to 160 double-sleeved cards

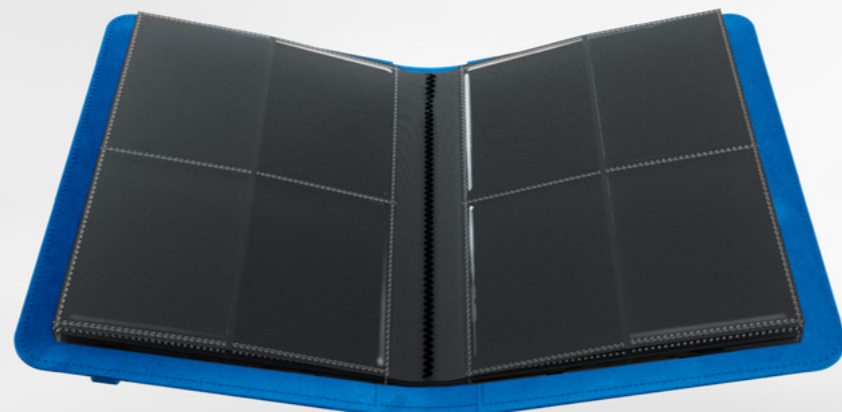

Extra-wide elastic strap with reinforced stitching

Inner microfiber lining in matching color

Cover and strap in matching colors

8-pocket pages keep standard- and Japanese-sized cards

# PRIME ALBUM 8-POCKET

The Prime Album 8-Pocket is a great way to collect and organize collectible cards of standard or Japanese size. The album is covered with the innovative Nexofyber surface to create a comfortable touch & feel combined with an elegant look. The inside of all Prime Albums is covered with soft microfiber lining. Reinforced, rigid covers add protection to keep card collections safe. The album contains 20 pages with 8 side-loading pockets each, for a total capacity of 160 cards (even double-sleeved). Four compartments per page are perfect for PLAYSET collections (4 cards of each). An extra-wide elastic strap in matching color safely closes this album.

## FEATURES

- 20 side-loading pages to hold up to 160 sleeved cards
- COLORMATCH:** Cover, inner lining and strap in matching colors
- Extra-wide elastic strap with reinforced stitching
- 8 side-loading pockets per page keep cards shake-safe
- Perfect for PLAYSET collections of 4 cards each
- Holds standard- and Japanese-sized cards
- Optimized for double-sleeved cards
- Premium materials (Nexofyber surface + microfiber inner lining)
- Acid-free, no PVC

# PRIME ALBUM 24-POCKET

The Prime Album 24-Pocket is a great way to collect and organize collectible cards of standard or Japanese size. The album is covered with the innovative Nexofyber surface to create a comfortable touch & feel combined with an elegant look. The inside of all Prime Albums is covered with soft microfiber lining. Reinforced, rigid covers add protection to keep card collections safe. The album contains 20 pages with 24 side-loading pockets each, for a total capacity of 480 cards (even double-sleeved). Four compartments per page are perfect for PLAYSET collections (4 cards of each). An extra-wide elastic strap in matching color safely closes this album.

## FEATURES

- 20 side-loading pages to hold up to 480 sleeved cards
- COLORMATCH:** Cover, inner lining and strap in matching colors
- Extra-wide elastic strap with reinforced stitching
- 24 side-loading pockets per page keep cards shake-safe
- Perfect for PLAYSET collections of 4 cards each
- Holds standard- and Japanese-sized cards
- Optimized for double-sleeved cards
- Premium materials (Nexofyber surface + microfiber inner lining)
- Acid-free, no PVC

# PRIME RING-BINDER

The Prime Ring-Binder is equipped with 3 durable D-rings to carry standard-sized 18- or 9-pocket pages. It is covered with Nexofyber surface which provides an elegant look and comfortable feel while being dirt- and water-repellent. The inside of the Prime Ring-Binder is covered with soft microfiber lining. A label slot at the back can either hold the flippable label or a standard-sized gaming card. With this the binder can be individually marked or labeled. Reinforced front- and back-covers add a thick layer of protection to provide a safe place for any card collection.

## FEATURES

- Fits standard-sized 9- or 18-pocket pages
- Durable D-rings with reinforced hinges
- Thick front and back for increased protection
- Label slot can also carry a standard gaming card
- Flippable label at back for personalized markings
- Premium outer and inner materials (Nexofyber surface + microfiber inner lining)

# 24-POCKET PAGES SIDE-LOADING

Secure protection for standard- and Japanese-sized cards. These collector pages in vibrant colors provide 24 side-loading pockets that will protect even double-sleeved cards perfectly. Due to the versatile 11-hole spine these pages fit in almost all ring-binders in PLAYSET-size. Perfect together with the Prime Playset Ring-Binder.

## FEATURES

- 24 side-loading pockets per page with strong weldings
- 10 Pages for 240 double-sleeved cards
- Fits in almost any ring-binder in PLAYSET-size
- Strong, durable material with extra-high clarity
- Side-loading pockets keep cards shake-safe
- Holds standard- and Japanese-sized cards
- Optimized for double-sleeved cards
- Perfect for PLAYSET collections of 4 cards each
- Acid-free, no PVC

# ULTRASONIC 9-POCKET PAGES SIDE-LOADING

High-quality 9-pocket pages for standard- and Japanese-sized cards, made from extra clear polypropylene. Due to the versatile 11-hole spine these pages fit in almost all standard-sized ring-binders. The pockets are loaded sideways and will protect even double-sleeved cards perfectly. Welded joints, made with ultrasonic technology, provide strong and precisely measured card pockets. This product is available in bags of 10 pages and cardboard displays with 50 pages.

## FEATURES

- 9 side-loading pockets hold up to 18 cards per page
- 11-hole spine fits in almost any ring-binder
- Side-loading pockets keep cards shake-safe
- Ultrasonic welding for sturdy and precise pockets
- Strong, durable material with extra-high clarity
- Holds standard- and Japanese-sized cards
- Optimized for double-sleeved cards
- Acid-free, no PVC
